

# MASTER SHIPWRIGHTS MARINE SURVEY

Email [enquiries@msms.com.au](mailto:enquiries@msms.com.au)

Phone (02) 99534761

- The following statement concerning the procedures in the inspection of the subject vessel is for your information and benefit. *Survey results will be transmitted only to the person or persons authorising this survey.* Please fill out the questions below, sign and return prior to the survey being performed. Call (02) 99534761 if you have any questions.
- This surveyor recommends that all sailboat rigging be inspected by a qualified rigger
- This surveyor does not ascend masts. Sailboat surveys are performed at deck level only.
- This survey will include inspections of all parts of the vessel, where accessible, including the condition and safety of all accessible parts in order to determine the “fair market and replacement value of the vessel”. Recommendations will include what must be done to insure safety and whether the boat is sound for its intended use.
- This surveyor urges that a qualified engine surveyor inspect all gasoline and diesel engines, gears, and pumps, heat exchangers, coolers etc. It is further recommend that a sea trial be performed and the vessel be hauled out for dry dock inspection of the wetted surface area of the hull and all underwater machinery.
- Only accessible areas will be inspected, and it understood that the surveyor assumes no responsibility for any defects not found in non-accessible areas and is not responsible for conditions subsequently arising.
- The report will be prepared after a thorough visual and hands on inspection of the hull, rigging, hardware, systems and equipment. The report will be submitted in good faith, without prejudice and constitutes a description of the condition of the vessel at the time of the survey. The report will not express or imply warranty, or guarantee the condition of the vessel.
